Here's what Satisfied Customers have been saying for over a century —

"While we have subscribed to other directory services, your product is far superior in accuracy, readability and completeness."

Karla Anderson, Co-owner
RRCA Accounts Management, Inc.
Sterling, IL

"We purchase a copy of the Polk City Directory every year because it helps our office function effectively. I use it at least weekly to find information about community leaders, members or visitors. The occupation and name of spouse data has proven to be very beneficial."

Pastor James W. White, Jr.
St. Giles Presbyterian Church
Raleigh, NC

"When developing databases for use with our targeted direct mail projects, we find that the Polk City Directory is far more comprehensive than any other source. We find it particularly useful to know the number of employees each business has — since many of our products are primarily useful to businesses of certain size ranges."

Wes Stant, President
The Stant Agency, Inc.
Crestview, FL

"The Polk City Directory has been a big help to our business. We use it to apply information to contracts which are incomplete, to locate people and for cross-referencing purposes."

John Mellor, Vice President
Tesco Lighting and Design
Fairbanks, AK

"The Polk City Directory has provided invaluable service to the city fire department for years. For example, in preparation of our data bank for the Emergency 911 System, the book was *the correcting guide* for street and house number information."

Denny W. Kelly, Fire Chief
Fredericksburg Fire Department
Fredericksburg, VA

"We buy the Polk City Directory of Victoria every year. It is a valuable "quality service" tool. Telephone operators who schedule donation pickups use it several times a week to verify addresses and phone numbers. The sale of donated goods is our non-profit society's major source of funding so quality service is important. Using the Polk Directory helps us meet our objectives."

Wendy Maurer, Chief Operating Officer
Goodwill Enterprises
Victoria, BC
